

Virtual Leadership Program

Virtual Leader is a business-skills computer simulation currently being used by Fortune 500 companies and leading business schools as practice-ware for "rapid, significant and sustained performance improvement and business results."

This award winning program enables managers and students to become immediately more effective and productive in leading teams and working with others. With the Virtual Leader program, your managers can:

- Benchmark - their leadership styles
- Assess - their leadership skills, styles and strategies and tactics
- Practice and Learn - new skills and behaviors until they become intuitive

Leadership Skills

- Decision Making aligned with Business Goals
- Effective Communication
- Innovation - Foster Creativity
- Active Listening
- Team Building for Productivity
- Influencing Group Dynamics
- Situational Awareness
- Motivation, Persuasion - "win the hearts & minds"
- Execution

Leadership Strategies

- Gain and use personal influence
- Empower and motivate others
- Foster creativity to generate new ideas
- Focus the team on the right work
- Raise/lower tension to productive levels
- Execute work aligned with your goals

Leadership Styles

- Directive - assertive/dominating
- Participative - engaged/collaborative
- Delegative - laissez-faire/passive

Virtual Leader has measured significant performance improvement in these key areas:

Increased Positive Behaviors

1. Thought Expressed - assertive; openly express ideas
2. Equality Seeking - treat others as equals
3. Leading Others - with personal influence
4. Encouraging - working toward helping others do better
5. Collaborate - persuading others towards cooperative efforts
6. Achievement Seeking - creating achievements
7. Responsive - expresses positive energy towards tasks

Features follow up WebEx sessions to further support the learning.

Reduced Negative Behaviors

1. Intimidating - dictates with a superior attitude
2. Revenge Seeking - gets even; quick to retaliate
3. Critical - tries to control others by using criticism
4. Self-centered - expects favors; does not return favors
5. Detached - avoids interaction with others
6. Insensitive - acts as if they cannot relate to others
7. Action Suppressed - avoids ordinary work
